## AT THE THEATERS

POPULAR THEATER

Last night saw many uniforms in the audience at this cozy little theater, with the wearers thereof, very much interested in seeing unfold before them the thrilling incidents involved in "A Soldier's Honor," the two-reel Bison war feature. It is a good drama, with just enough melodrama to kind of keep you on edge while the plot unfolds. Uncle Sam's boys liked it well, and so did the rest of the audience. Three other good pictures completed the bill—a well-balanced one. "A Soldier's Honor" is on again tonight, though the supporting pictures will be changed. "You get your money's worth at the Popular."

On Friday night arrives the big two-reel Indian thriller, "Redemption of White Hawk"—and it is bound to be as interesting to the grown folks as it is to the kids. On Saturday the picture just mentioned will star with "The Woman in White" for honors at the daytime and evening shows. On Saturday evening a Hawaiian quintette and a soloist will render sweet music in the lobby. The daytime shows start with the one at 11:30 a. m.

On Saturday morning there will be a "Press and Censorship Private Exhibition" of the wonderful moral play "Conscience"—to which invitations have been sent to the leading clergymen, heads of schools, prominent people interested in uplift work, and members of the press. This picture, in three reels, will be at the Popular Theater commencing Wednesday of next week.

## BIJOU THEATER

The new show at the Bijou theater tonight is in three scenes with plenty of quick action at every turn. Monte Carter and his company will be off in a bunch at 7:30, playing "Izzy at the Races." As usual Izzy will have his troubles and will be taken for a good thing by the members of a grand theatrical company, who get the largest portion of his money. In the last act when he is almost broke he plays the role of a jockey, wins the big race and a bunch of money, and everything ends happily. Three scenes are required to fully present the bill and the costumes and scenic settings will prove a revelation in attractiveness. The part of Meyer Buggs, a hotel proprietor, will be played by Harry Hallen and Geo. Weiss will no doubt get a good many laughs out of the role of Doolittle, a fresh bell-hop. Frank Harrington will be seen as Tom Hogan, the manager of the theatrical company, and Blanche Gilmore will have a part suited to her versatility. Miss Dee Loretta, the prima donna, will take the part of Marie Gay. Del Estes will play the part of Meyer Buggs' niece. The Dancing Chicks will open the third scene singing "The Handicap." "The Palace of Dreams" will serve to show off Geo. Archer's tenor voice to advantage. Other high class musical selections have been picked with great care and will be introduced during the action of the show.

## HEADACHY, COSTIVE, BILIOUS,—"CASCARETS"

Sick Headache, Bad Breath, Sour Stomach, Measly Liver and Bowels are clogged—Cheer up!

Get a 10-cent box. Sick headache, biliousness, dizziness, coated tongue, foul taste and foul breath—always trace them to torpid liver, delayed fermenting food in the bowels or sour, gassy stomach.

Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months.—advertisement.

## PUNAHOU ALUMNI WORK TO MAKE HALL MEMORIAL

Loyal Sons and Daughters Join in Restoring Historic Structure

Progress toward the restoration of Old School Hall, through the interest and loyalty of Punahou alumni, is reported by the executive committee of the alumni association. A statement from the committee this morning gives the result of the work to date: "One of the chief assets of every educational institution is the interest and loyalty of the alumni and former students. Punahou is no exception in this respect, for her former students and graduates have shown their love for their alma mater in tangible ways, in the erection of the buildings, in the gift of the pergoles, the musical and other things that make the campus such an attractive and lovely place."

"Each year the Alumni Association endeavors to do something worth while for Punahou. The executive committee decided last summer after consultation with several representative graduates to undertake the work of collecting sufficient funds for the restoration of the Old School Hall and to make it a fitting memorial of Old Punahou, as well as to put it in a satisfactory condition for the use of the music department."

"The building has now been put in a splendid condition by the contractor, John Lucas, and will be used shortly by members of the music department of Oahu College. The work of raising the needed money has not been completed yet, the committee still being engaged in the undertaking. Over \$750 has been deposited in the bank thus far, and pledge cards to the amount of more than \$100 have been signed. This amount is far behind what must be paid for the work. The executive committee is being ably assisted in the work of raising the funds by several volunteers from the ranks of former Punahou students. The members of the committee are Albert F. Along, treasurer; Albert Waterhouse, W. J. Forbes, Miss Eleie Wilcox for Kaula, George G. Fuller, Mrs. D. Howard Hitchcock, Mrs. W. H. Babbitt, Mrs. W. L. Moore, Mrs. W. W. Thayer, William W. Chamberlain, Miss Agnes E. Judd, Miss Ellen Lyman for Hawaii, John Radway, J. Lawrence P. Robinson, Mrs. May Wilcox, Rev. H. P. Judd, W. Spencer Bowen, Theodore Cooper, Ferdinand Schuck, and James Winne. This committee has the names of several hundred friends and former students at Punahou to be canvassed for in behalf of this fund. The islands of Kaula and Molokai have responded splendidly thus far, Kaula sending in \$350 and Molokai \$50 for the restoration of the Old School Hall. It is something which appeals to the Oahu pupils of Punahou who wish to have this connecting link between the past and the present preserved in good condition. The treasurer of the fund, Albert F. Along, is ready to receive subscriptions for this worthy cause at any time in his office in the Campbell block."
